Terms and Conditions

I understand that all images remain the property of the Ballina Shire Council and their use is subject to the following conditions:

- Usage is for the purpose stated in this agreement only; any further usage of images/digital assets for other purposes must be negotiated prior to use.
- Use of images/digital assets must be aligned with the Ballina Coast & Hinterland Destination Management Plan goals.
- Digital assets are available for use when attracting event organisers to the destination for business event purposes and should ideally be used in source market(s) as opposed to being used in destination.
- Digital assets cannot be used to create material that is for sale or leased.
- This form must be completed and returned prior to the release of the digital assets.
- Up to twelve images can be supplied.
- All digital assets are under copyright to the Ballina Shire Council and no copies or reproductions in whole or part are to be made without prior written permission from the Ballina Shire Council.
